

Purpose

The purpose of assessor feedback is to continuously improve the assessment process and aid the personal development of each assessor.

Assessor Feedback takes place at two points in the assessment of any new NVQ project – in the middle and at the end of a project.

To be completed by the assessor

What's going well?	What difficulties are you having?
Actions to improve	

To be completed by the Internal Verifier

What's going well?	What needs improving?
Actions to improve and dates
